CS 477 Homework #1 Due 10:45pm on 1/28

Note: Answers to the exercises listed below should be handed to me *in hardcopy* and in *typewritten form* (latex formatting preferred) by the deadline mentioned above.

Give your solution to the following elementary set theory exercises in "Set Theory in Computer Science – A Gentle Introduction." (**Warning!** the numbering for the exercises refers to the *January 12, 2010* version of the set theory notes; the numbering of exercises may have changed for some of them since earlier versions of the notes).
