Test Administration

- Exam 2 will be in class, Tuesday, 20/31
- If you need an online exam or a conflict exam, please contact Prof. Hasegawa-Johnson by the end of Friday, 10/27

What to Bring

- Pencils and erasers
- One page of notes, front and back, handwritten or 12pt font
- No calculators, computers, cell phones, smart speakers, earpods, or other devices capable of communicating with your AI or human tutor
- Exam will provide a formula sheet—the same one that's on the practice exam online

Outline

1 Test Administration

2 Test Content

3 Sample Problems

What's on the Exam

The exam has four questions:

- Lecture 8: Neural Nets
- Lecture 9: ConvNets
- Lecture 11: Adaboost/Viola-Jones
- Lecture 12: HMM
- Lecture 13: Baum-Welch & Viterbi
- Lecture 14: Gaussian PDFs
