

Homework Assignment #13, Scientific Poster Presentation

For this assignment, you will present your printed poster during class on May 2.

For your presentation, you will need to prepare a 2-min to 3-min “stump speech” to introduce your audience to your topic and walk them through the elements of your poster. Practice your speech so you can give it without using notes, and be prepared to answer audience questions.

Due: **Friday, May 2, by 2:00 p.m.** This assignment is not rewrite eligible.
