

## Exam information and instructions for ECE 310 Exam 2--Fall 2021

- **Exam date and duration:** Tuesday Nov 9 8:30pm--10pm. The exam lasts 90 minutes. It includes the time for uploading the solutions to gradescope.
- **Exam coverage:** the exam will cover material corresponding to Homeworks 6--10.
- **Exam schedule Zoom link:** You can view the regular exam schedule through the following link, <https://my.engr.illinois.edu/ExamScheduler>. On the day of the exam, you will see the Zoom link for your proctoring session (see the picture below). Click on "open meeting link" to join the session. Please join the Zoom meeting **10 minutes before the exam**.

Exam 1: Mock exam		<a href="#">View instructions</a>
Regular date	Sep. 22 at 8:30PM <span>Your date</span>	<a href="#">Open meeting link</a>
Conflict date	Sep. 24 at 6:00PM	

- **Conflict exam:** If you have another exam at the same time, please email the head TA (Renan Rojas-Gomez [renanar2@illinois.edu](mailto:renanar2@illinois.edu)), clearly stating the nature of your conflict by **Nov. 5**.
- **DRES accommodation:** If you need DRES accommodation, please email the head TA (Renan Rojas-Gomez [renanar2@illinois.edu](mailto:renanar2@illinois.edu)) by **Nov. 5**.
- **No collaboration allowed:** You are **not** allowed to share or collaborate on this exam and that all work should be your own. Please obey the rules for online exam detailed in the following link:  
<https://ae3.engineering.illinois.edu/grainger-exam-services/cbtf-online/student-info-cbtf-online/rules/>
- **Open notes:** you can use your handwritten notes in paper, printouts of your tablet notes, and printouts of the instructor's slides or notes. You can also use your notes in your tablet but you **can only** scroll through them, you **cannot** search through them by typing or writing. Calculators and other electronic ways to do calculations, like Wolfram alpha, are **not allowed**. Neither is searching online.
- **PDF of exam:** Immediately before the beginning of the exam period, you should check the link provided in the chat box in your Zoom session which will direct you to the exam questions. Upon viewing the exam questions, you must write the solutions to each question with clear labels on sheets of paper. At the end of the

exam, use your phone camera to take pictures of your solutions and upload them to gradescope. You **cannot** write your solutions on a tablet.

- **Solution uploads:** Make sure to allocate sufficient time for uploading your complete exam solutions prior to the end of the exam period. Also make sure that your scans or photos are legible and that you correctly assign each solution to its question. Difficulties in reading and interpreting your solutions may result in reduction of points.
  
- **Position the phone camera:** Please take a look at the instructions for how to set up your phone camera in the following link:  
[https://courses.grainger.illinois.edu/ece310/fa2021/secure/exam/How\\_to\\_Position\\_Your\\_Phone.pdf](https://courses.grainger.illinois.edu/ece310/fa2021/secure/exam/How_to_Position_Your_Phone.pdf)
  
- **During the exam:**
  1. Make sure to write down your proctor's email address as soon as they send it, just in case you get kicked out of the meeting, lose internet connection, etc. and need to contact them.
  2. Wait for your proctor to tell you to begin, then follow the post-check-in instructions for accessing your exam.
  3. Follow the proctor's time calls, not any timer in your exam. When time is called, stop working immediately.
  4. Whenever you finish your exam, let the proctor know and they will dismiss you from the meeting.
