

INFORMATION ABOUT THE FINAL EXAM

●● The **Final Exam** will be held on **Friday, May 5, 8:00 - 10:30 (AM), in Rm 241 Everitt**. You are allowed to bring in two sheets of notes (you may use both sides of each sheet, if needed), but otherwise the Exam will be closed-book and closed-notes. As in the midterms, laptops, calculators, palm-pilots, tables of integrals etc. will neither be necessary nor be permitted. Your sheets can be hand-written, but the font size should not be too small, necessitating the use of a magnifying glass; as a general rule, any size smaller than the equivalent of a 10 pt font will not be permitted.

●● To answer any questions you might have between now and the time of the exam, the following help sessions will be held:

Monday, May 1: Office hours (Ahuja), 2:00 - 4:00 pm.

Tuesday, May 2: Office hours (TA, Kesal), 3:00 - 5:00 pm in CSL Student Lounge.

Wednesday, May 3: Office hours (Sanghavi), 2:00 - 4:00 pm.

Thursday, May 4: Miscellaneous Problem Solving, (TA, Kesal), 3:00 - 5:00 pm in CSL Student Lounge.

●● Final Exam will cover the material from the entire semester with a major emphasis on the material from the last third of the semester, through Limit Theorems, included in homework sets 9 through 11 and the corresponding book sections. Do not skip any material. Make sure you understand all the concepts, not just the mechanics.

●● Watch the website for announcements and updates.

GOOD LUCK !
