B Size

Illustrated is the standard format that will be used for all Project Design drawings. Given are B, C, and D standard sizes.

Note:

1. Fold lines are imaginary lines, but the 1 inch extension of the fold lines in the margins shall be placed where indicated.
2. All sizes fold down to an 8 1/2 x 11 inch size.
3. Margins will be maintained (i.e., Page 39) except on C and D size where the left hand margin will be 1 inch but reduced to 1/2 inch above the fold line number 1.

If you have any questions, please see Jim Leake in room 209b TB.
