

ME199 – SAE/DES

Assignment #2

Due date: Sunday May 17th, 2020 midnight

Please write a brief one page narrative, plus pics if applicable, on your completed ME199 project activities for this past semester.

Submission instructions:

- a) Login to: <https://my.mechse.illinois.edu>
- b) If you have not already done this for another class, go to the center bottom of the page and select “My Classes” from the ‘Add content to above column’ pull down menu.
- c) Your registered classes should then appear at the bottom of your my.mechse page in the “My Classes” tab.
- d) Go to the ME199 ‘Calendar/Assignments’ column of ‘My Classes’ and click on the assignment you wish to submit file(s) to be graded (in this case, “ME199 Assignment #2”). Your submit file name should be the same but also include your team or club such as FSAE, Felectric, Baja, iRobotics, EcoIllini, EcoConcept, Solar, Hyperloop etc., followed by your team leader’s netid (i.e. netid of person assigning your project and evaluating your contribution)

Example: **ME199 Assignment #2, FSAE, jondoe2**

- e) Use the Browse -> Upload buttons to select and submit your file for grading (.doc or .pdf format please)
