

Instructions for using CATME

You should have received an email with a link to set up an account on CATME. Your account uses your email address (as listed in Banner) as your username. You should also receive an email from CATME asking you to take the survey where we collect demographic information that will help us form groups for your discussion.

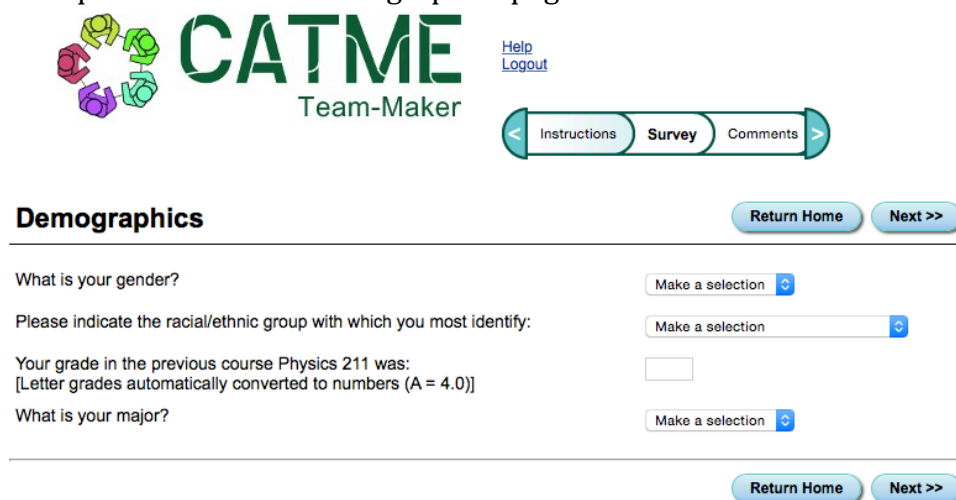

1. Log in and at the Instruction screen click on the “Complete Activity” button.

Instructions [Return Home](#) [Complete Activity](#)

Team-Maker collects information about you and your classmates to form teams according to criteria specified by your instructor. For the best teaming experience, please answer each question completely and accurately. Your responses to the survey questions are considered confidential.

2. Answer all questions for the Demographics page then click “Next”

Demographics [Return Home](#) [Next >>](#)

What is your gender?

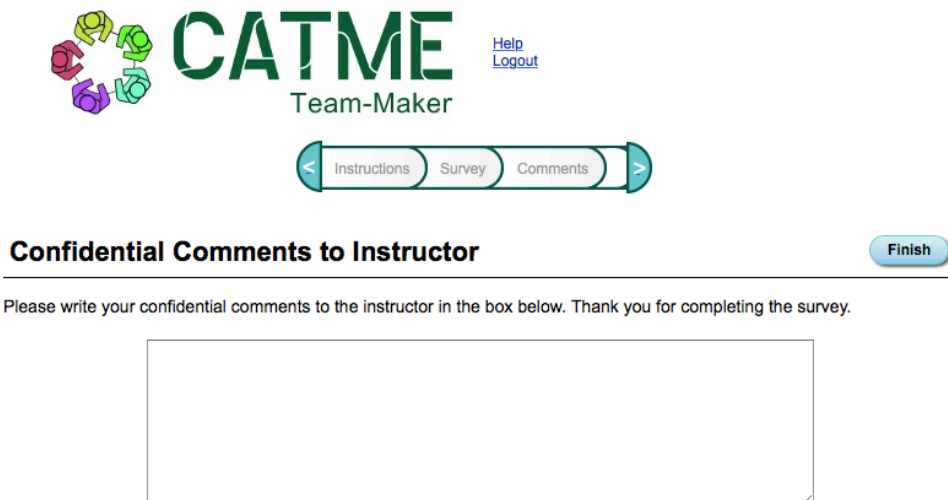

Please indicate the racial/ethnic group with which you most identify:

Your grade in the previous course Physics 211 was: [Letter grades automatically converted to numbers (A = 4.0)]

What is your major?
